

# CHASING AFTER YOU

PASTOR ADAM SMALLCOMBE, ROB ELLMORE, CARLY O'ROURKE, PAOLA ROMERO  
CCLI: #7177107

## VERSE 1

I've been pulled in all directions  
But there's only one way for me  
'Cause I know Your ways are better, better for me  
I'm not lookin' for another fake version  
'Cause I know that You're the real thing  
And I know Your ways are better, better for me

## CHORUS

So won't You guide me in Your grace  
Can You shape all my desires take them all and lift them higher  
So I'll be walking in Your ways  
Gonna shake it off and wake up  
Won't stop, I'm only chasing after You

## VERSE 2

I don't need nobody's approval  
There's another crowd cheering me  
All I'm wanting now is Your will, Your will for me  
Ain't livin' lower than my calling  
There's a new thing drivin'  
All I'm wanting now is Your will, Your will for me

## CHORUS

## BRIDGE

I wanna go higher, higher Jesus  
You're taking me higher, higher Jesus

## CHORUS

## END
