**VERSE 1** E  
Wake up my soul, when did you become afraid?  
C#m A  
For He's called you by name, do you remember who your God is?

Stand up again, is there something that He cannot do?  
C#m A  
All your worry can wait, He set the stars in their place,

And there they shall remain

**CHORUS** E  
Fear not, He's with us  
A  
When we walk through the fire  
E  
Fear not, He's for us  
A  
In the middle of the storm  
C#m  
So come with praises  
A E  
And glorify the Lord

**VERSE 3** E  
So break off those chains, with holy hands we elevate  
C#m A  
The name above all names, who can match His wonder?

Who can stand against our God?
