CCLI: #

**VERSE 1**            Holding onto freedom  
                         Holy Spirit leading  
                         I'm not going back  
                         No, there's no looking back now

**VERSE 2**            Living has new meaning  
                         Nothing beats this feeling  
                         I'm not going back  
                         No, there's no looking back now

**PRECHORUS**        There's no going back  
                         There's no going back now  
                         There's no going back  
                         There's no going back now

**CHORUS**            When I look around I see all You've done for me, yeah  
                         Don't ya know (Don't ya know), His hand's on us  
                         Gonna leave behind everything I used to be, yeah  
                         Don't ya know (Don't ya know), This is our Exodus

**VAMP**                This is our Exodus  
                         Our Exodus  
                         This is our Exodus, this is our Exodus

**VERSE 3**            Holding onto freedom  
                         Holy Spirit leading  
                         I'm not going back

**PRECHORUS**

There's no going back  
There's no going back now  
There's no going back  
There's no going back now

**CHORUS**

When I look around I see all You've done for me, yeah  
Don't ya know (Don't ya know), His hand's on us  
Gonna leave behind everything I used to be, yeah  
Don't ya know (Don't ya know), This is our Exodus

**VAMP**

This is our Exodus  
Our Exodus  
This is our Exodus, this is our Exodus

**BRIDGE 8x**

Whom the Son sets free  
He is free indeed, yeah

**CHORUS**

When I look around I see all You've done for me, yeah  
Don't ya know (Don't ya know), His hand's on us  
Gonna leave behind everything I used to be, yeah  
Don't ya know (Don't ya know), This is our Exodus

**VAMP 2x**

This is our Exodus  
Our Exodus  
This is our Exodus, this is our Exodus
