**INTRO** | C /// G // D /// |

**VERSE 1**

C                    G    D  
Now or never  
Here and forever  
C                    G            D  
My present and my promise align  
                  C                    G    D  
The seen and the hidden  
Meet in collision  
C                    G    D  
And come to life

**CHORUS**

                  C    D  
What if I told you  
                  C    D  
The future is now  
                  C    D  
What if I told you  
                  C    D  
We're taking ground

**INSTRUMENTAL** | C /// G // D /// |

## VERSE 2

C                    G    D  
Lead and I'll follow  
Step into the unknown  
C                    G    D  
There's no turning back  
C                    G    D  
Wake up the dreamer  
It's time to imagine  
C                    G    D  
You're stirring within my soul

## BRIDGE

Am  
Here we come  
G/B            C  
Into the light of your promise  
Em  
Watch me run  
G            D  
Into the rhythm of grace  
                Am        G/B  
I can feel it now  
C  
Something is changing  
                Em  
The past is gone  
                D  
And the future is now
