**INTRO** | 4 /// 1 // 5 /// |

**VERSE 1** 4 1 5  
Now or never  
Here and forever  
4 1 5  
My present and my promise align  
4 1 5  
The seen and the hidden  
Meet in collision  
4 1 5  
And come to life

**CHORUS** 4 5  
What if I told you  
4 5  
The future is now  
4 5  
What if I told you  
4 5  
We're taking ground

**INSTRUMENTAL** | 4 /// 1 // 5 /// |

**VERSE 2**

4                    1    5  
Lead and I'll follow  
Step into the unknown  
4                    1    5  
There's no turning back  
4                    1    5  
Wake up the dreamer  
It's time to imagine  
4                    1    5  
You're stirring within my soul

**BRIDGE**

2m  
Here we come  
1/3            4  
Into the light of your promise  
6m  
Watch me run  
1            5  
Into the rhythm of grace  
          2m    1/3  
I can feel it now  
4  
Something is changing  
          6m  
The past is gone  
          5  
And the future is now
