

KING OF DYSFUNCTION

Pastor Adam Smallcombe, Carly O'Rourke, Paola Romero, Cecile Miras

CCLI: #7128943

VERSE 1

I'm giving praise
To the king of dysfunction
Exalted one
Above doubts and delusion
I've tried and I've failed
Yet collided with truth
And I keep coming back to you

VERSE 2

I've been called
By the savior of sorrow
Where holy hands
Gripped blood stained soil
My sins that were many
Erased in your mercy
I've been made brand new

CHORUS

What is this love, it makes no sense
You are the king I don't deserve
What can I do with all this grace
For you've been too good to me

BRIDGE

What is left to say
I cannot repay
I'm forever thankful
For the grace drenched ground
On which you knelt that day

CHORUS

What is this love, it makes no sense
You are the king I don't deserve
What can I do with all this grace
For you've been too good to me

TAG

All mind
All heart
All soul
All in, I'm yours
