VERSE 1

Once again I find I'm falling
To my knees I'm overcome
In Your presence I am humbled
Oh Glorious One

All I have is all I give You
My mind is overrun
Full of visions of Your splendor
Oh Glorious One

CHORUS

Holy, You are Holy
You are crowned in Majesty
Worthy, You are Worthy
And You reign in Majesty

VERSE 2

Heaven fills the earth with glory
And every hidden part of me
Under the weight of it I tremble
Oh majestic One

Cast my crowns before my Maker
'Cause you are Lord of everything
Find Your church here in surrender
Oh Majestic One
