CCLI: #7177103

VERSE 1

Heavenly Father, draw me closer
Here I surrender, this is my prayer
All that You've promised, I would know to be true
I wanna be pleasing, wanna be found in You

VERSE 2

Surely Your mercy is not lost on me
Wanna tell You I'm grateful, this is my prayer
All that You've promised, I would know to be true
I wanna be pleasing, wanna get lost in You

CHORUS

Lord You are good, You are worthy
Let my Amen give You glory
Join with the saints crying Holy
Our lives fulfilled in You
So let this ascend, on this I depend, Your grace never ends

VERSE 3

This is my offering, all that I have
Would You receive me, this is my prayer
All that You've promised, I would know to be true
I wanna be pleasing, I'm gonna walk close with You

CHORUS

BRIDGE

I need nothing more but I want nothing less
When my race is done I want nothing left
Let it be so, let it be done, let it be here, Oh Heaven come
Whatever comes next, You already have my yes

Whether I live, whether I die
It would be a worthy sacrifice
Whatever comes next, You have already my yes

VAMP

Whatever comes next, You have already my yes
Whatever comes next, You have already my yes

CHORUS

END
