VERSE 1 1
Wake up my soul, when did you become afraid?
6m 4
For He's called you by name, do you remember who your God is?

VERSE 2 1
Stand up again, is there something that He cannot do?
6m 4
All your worry can wait, He set the stars in their place,
5
And there they shall remain

CHORUS 1
Fear not, He's with us 4
When we walk through the fire
1
Fear not, He's for us 4
In the middle of the storm
6m
So come with praises
4 1
And glorify the Lord

VERSE 3 1
So break off those chains, with holy hands we elevate
6m 4
The name above all names, who can match His wonder?
5
Who can stand against our God?
