VERSE 1

I can hear it there's a new day calling me
Got every reason to sing 'cause I know I'm free

PRECHORUS

From age to age You've moved in grace
Your promise stands, I'll walk by faith
You take my weakness, You call it strength
And I have no doubt what You started You'll finish

CHORUS

I just gotta shout it out while I'm still breathing
I'm done with holding back so I'll keep on moving
Nothing gonna get, nothing gonna get, nothing gonna get in my way
Oh-Oh-Oh
Nothing gonna get in my way, in the way of my praise

VERSE 2

Can you feel it there's a new rhythm moving me
Got every reason to dance 'cause I know I'm free
