VERSE 1

Lord I bring to You
A heavy heart a weary mind
I lay it down I let it go
And lift my hands to You

Would You wash over
And bring Your life to barren places
Cause one drop of Living Water
And I'm renewed again

PRE CHORUS

Here again I'm drawing near
Longing for Heaven to appear
Come and saturate this ground

CHORUS

Oh Sovereign One
I'm overcome
Fill the Earth with Your Glory

Pour out Your rain
Revival come
An overflow of Heaven

VERSE 2

Jesus bring Your healing
To everybody that is broken
Anoint the dreams laying dormant
Ignite our faith again

Lead us in repentance
Soften every heart of stone
And like rivers in the desert
Let forgiveness flow
