VERSE 1 In the wind and the waves
Your peace is the place
A whisper to a shout
You silence every doubt

VERSE 2 In the darkest of night
The hope of first light
Strength for the battle
I surrender the fight

CHORUS Steady in your presence
Eyes fixed on you
Steady in your presence
You're faithful and true

VERSE 3 In weakness and strength
Grace never ends
You're building in the breaking
Always moving in the waiting

CHORUS 2 Steady in your presence
Eyes fixed on you
Steady in your presence
You're faithful and true
Grounded in your mercy
Steadfast in you
Grounded in your mercy
I won't be moved

BRIDGE

You are the rock
On which I stand
You are my fortress
You are my strength
