VERSE 1

I'm saying yes to the blessing
I'm saying yes to the Son
Yes to the One and the wonder,
I'm saying yes 'cause it's done
Yes to the way that You're working,
I'm saying yes, Spirit come
Yes, it's my will that You're shaping,
And this is why I run

PRECHORUS

Tell me, why you're so defeated?
Don't you know what He's defeated?
Let us walk into the promise
And all the people say

CHORUS

Yes and Amen, Amen
Yes and Amen
Yes and Amen, Amen
Yes and Amen, yes, Amen

VERSE 2

I say amen 'cause You're moving
I say amen 'cause You've won
I say amen to my healing
And all the hard times to come
Your Amen's my beginning
'Cause I know You're here 'til the end
I say amen to the future
For me it's yes and amen

CHORUS

VAMP

Yeah I believe, yeah I believe it
Yeah I believe it
Yes and Amen, Amen
Yes and Amen, yes, Amen
